Internet Safety Program

This program was created to bring awareness to parents, teachers, school administrators and leaders dealing with youth about the safety of their children on the internet.

The program will discuss:

- Warning Signs

- Safety Issues

- Identity Theft

- Cyber Crimes

- Crimes Against Children

Please contact SA Tiffany S. Cohn with questions and to set up a program. 919-417-2042 or tcohn@ncsbi.gov.
