

North Carolina Information Sharing and Analysis Center  
Community Outreach and Engagement Program

A Global Approach to a State Response

# Prescription Drug Abuse Awareness Program

This program was created to bring awareness to parents, teachers, school administrators and leaders dealing with youth about the dangers and prevalence of prescription drug abuse.

The program will discuss:

- Abuse statistics
- Drugs abused
- Signs and signals
- Prevention
- Assistance

Please contact SA Tiffany S. Cohn with questions and to set up a program. 919-417-2042 or [tcohn@ncsbi.gov](mailto:tcohn@ncsbi.gov).
